REPORT ON “CODE SAGA’24”

Name of the Club: CODE CIRCLE - BIT

Event Category: *TECHNICAL EVENT*

Academic Year: 2024-2025

Date:17.12.2024 AND 18.12.20204

Venue: BIO TECH SEMINAR HALL

Objective of the event :

The primary objective of CODE SAGA’24 was to enhance the technical skills of first-year students through a structured, multi-round competition over two days (17.12.2024 and 18.12.2024). By focusing on aptitude, coding, and teamwork, the event aimed to identify and reward 15-20 talented individuals while fostering a collaborative learning environment.

Outcome of the event :

The event successfully engaged over 200 first-year students, providing them with hands-on experience in coding, problem-solving, and design thinking. A total of 17 participants were recognized for their exceptional performance, achieving the goal of motivating students to excel in technical domains and boosting their confidence through practical exposure.

Submitted to the Dean PDS,

Subject: Seeking permission to conduct event CODE SAGA- CODECIRCLE CLUB

Financial Requirement: ☑ Yes ☐ No ☑ On-Duty ☐ DA

Advance amount required: -Rs.1990

Description:

Code circle club of BIT is planning to conduct an event named "CODE SAGA" from 17.12.2024 to 18.12.2024.This event is for first years.
We are in need of the following requirements.
1) Venue requirements: MECH 301,MECH 302 & SEMINAR HALL to accommodate 300 students check
2) Trophies(5) , medals(12) , certificates(17) and xerox(600 copies)
3)Audio,Video and photography.
4).Permission to wear club badges for club members.
5). ON DUTY for club members (21 students of 2nd years)

Mention Name (Dept. / Spl. Lab / Clubs & Societies / any other): Code Circle Club

Faculty Responsible (Name & ID): DHANASEKAR R (EI10249) & POOJA A S (CB11109)

Requirements: ☐ Accommodation ☐ Vehicle ☐ Food & Refreshment ☑ Not Applicable

Outcome expected & Auditable:

Club activities

Summary of the event:

- ***Event overview*** *:*

  CODE SAGA'24, organized by **Code Circle**, was a two-day inter-departmental technical extravaganza held on **17.12.2024 and 18.12.2024**, tailored for first-year students to ignite their passion for technology and teamwork. The program aimed to nurture their problem-solving, coding, and design thinking skills while fostering camaraderie among participants.

  The event was graced by our esteemed **Guest of Honour**, [Guest Name], who shared inspiring insights about the future of technology and encouraged the students to innovate and excel in their respective fields.

- ***Strategies used***

  Event Structure: The event was strategically split into four rounds – Aptitude, Tech Quiz, Code Debugging, and a team-based Design Quest Hackathon. This multi-phase structure ensured inclusivity and tested a broad spectrum of skills.

  Collaborative Learning: Participants were encouraged to work in teams during the hackathon, promoting peer learning and teamwork.

  Tech Awareness: A mix of competitive activities and knowledge-sharing sessions enhanced both theoretical and practical understanding of technical concepts.

- ***Activities done***
  - R**ound 1 - Aptitude**: A test of logical thinking and analytical skills.
  - **Round 2 - Tech Quiz**: A rapid-fire session covering technology trends and fundamentals.
  - **Round 3 - Code Debugging**: A hands-on coding challenge where participants identified and resolved errors in code.
  - **Round 4 - Design Quest Hackathon**: A creative and collaborative team event to design and present innovative solutions.

- ***Accomplishments***
  - Participation of over **200 students** across departments, fostering healthy competition and learning.

  - Successfully identified and rewarded 17 talented individuals for their exceptional performances.
  - Strengthened technical problem-solving and creative thinking among first-year students.

- ***Achievements***
  - A seamless and well-coordinated event that showcased the potential of young minds.
  - Recognition of outstanding talent, including **Overall Champions and Runners-Up**, fostering motivation and a sense of achievement.
  - Enhanced the reputation of **Code Circle** as a platform for nurturing technical expertise and innovation.

- ***Conclude with a set of takeaways***

  Emphasizing teamwork and collaboration can lead to outstanding outcomes.

  Hands-on activities, like debugging and hackathons, are highly effective in skill-building.

  Engaging first-year students early helps in identifying and nurturing talent from the ground up.

  Consistent participation in such events develops confidence and a competitive edge in students.

As a concluding note, **CODE SAGA'24** was not just an event but a stepping stone for first-year students to dive into the world of technology. With this success, we are thrilled to announce our next event, **Front-End Frenzy 2.0**, coming soon! Stay tuned for more exciting opportunities to shine!
